Japan Bank for International Cooperation

Environmental Check Report

(1) Project Name

Two step loan to support renewable energy projects and energy efficiency projects

(2) Project Site

India

(3) Project Outline

Financing a financial intermediary to support renewable energy projects and energy efficiency projects in India.

(4) Category Classification

FI

(5) Reason for Classification

The project involves financing a financial intermediary, and sub-projects cannot be specified prior to JBIC's approval for financing.

(6) Results of Environmental Review

After sub-projects are specified, JBIC will confirm via the financial intermediary that appropriate environmental and social considerations are made for them under JBIC Environmental Guidelines.
