

Environmental Examination Report

- (1) Project Name: Two-Step-Loan Project for Development of Business Environment
- (2) Project Outline: Two-Step-Loan Project for Development of Business Environment
- (3) Category: FI
- (4) Reason of Categorization: The project involves financing a financial intermediary, and subprojects cannot be specified without JBIC's approval for financing, while they are likely to have environmental impacts.
- (5) Result of Environmental Review: After subprojects are specified, JBIC will confirm via the financial intermediary whether appropriate environmental and social considerations have been made for them under JBIC Environmental Guidelines.
