

Environmental Examination Report

1. Project Name: Two-Step Loan Project for Development of Business Environment
2. Project Outline: This facility is extended to a financial intermediary that will provide long-term loans for Development of Business Environment of Japanese companies in Malaysia.
3. Category: FI
4. Reason of Categorization: This project involves financing a financial intermediary, and subprojects cannot be specified without JBIC's approval for financing, while they are likely to have environmental impacts.
5. Result of Environmental Review: The Borrower agreed under the Loan Agreement that all subprojects to be financed by the proceeds of the sub-loan shall be classified as Category C in the JBIC Environmental Guidelines. In addition, JBIC confirms the Category of each subproject. Therefore, no projects which have environmental impacts can be the subprojects financed by the proceeds of the sub-loan.
