

## Environmental Examination Report

- ( 1 ) Project Name  
Natural Gas Development Project
- ( 2 ) Project Site  
Ras Laffan Industrial City, Qatar
- ( 3 ) Project Outline  
Development of gas field, treatment of natural gas, and sales of gas products
- ( 4 ) Category Classification  
Category A
- ( 5 ) Reason for Classification  
The project falls into the oil and gas development and pipeline sector, and its site is located in sensitive area as listed in the JBIC Environmental Guideline.
- ( 6 ) Environmental Permits and Approvals  
Environmental permits and approvals have already been obtained from relevant authorities.
- ( 7 ) Pollution Mitigation Measures  
It is confirmed that atmospheric emissions, liquid wastes, material wastes, noise, and vibration are properly managed.
- ( 8 ) Natural Environment  
It is confirmed that measures for the protection of natural environment are properly managed.
- ( 9 ) Social Environment  
It is confirmed that the relocation of residents does not occur in the project site and the measures for social environment are properly managed.
- ( 1 0 ) Others, Monitoring  
Monitoring for air quality and ecosystem will be conducted.
