

Environmental Examination Report

- ( 1 ) Project Name : Global Bank Loan
  
- ( 2 ) Project Site : The Republic of Turkey and its neighboring countries
  
- ( 3 ) Project Outline : Two-Step Loan for export of Japanese equipments machineries, parts, plants and/or services by Turkish or its neighboring countries' importer from Japanese supplier
  
- ( 4 ) Category Classification : FI
  
- ( 5 ) Reason for Classification : This loan is extended via financial intermediary, so projects to be financed are not identified at this stage but may have environmental impact.
  
- ( 6 ) Result of Environmental Review : After sub-projects are specified, JBIC will confirm via the financial intermediary that appropriate environmental and social considerations are made for them under JBIC Environmental Guidelines.
