

Environmental Examination Report

(1) Project Name

Manufacture and sale of the tire for passenger cars

(2) Project Site

Republic of the Philippines / Clark Freeport Zone

(3) Project Outline

Manufacture and sale of the tire for passenger cars

(4) Category Classification

Category B

(5) Reason for Classification

The project does not belong to sensitive sector and does not include sensitive characteristics and is not located in or around sensitive areas under the Guidelines; therefore it is likely to have no significant adverse impact on the environment.

(6) Environmental Permits and Approvals

The Environmental Impact Assessment is approved in December 2011 by the designated authority of the host country.

(7) Pollution Mitigation Measures

Expected air emission, effluent, noise and vibration is expected to meet the local criteria.

(8) Natural Environment

The project site is not located within the protected area designated by the host country's government, nor are there any areas nearby where environmental considerations are called for.

(9) Social Environment

No involuntary resettlement will occur in the project site and there is no issue for which special social considerations should be required.

(1 0) International Standard
World Bank Safeguard Policy

(1 1) Others, Monitoring

Monitoring of air quality will be conducted for this project.
