

LIST OF APPENDICES

- Appendix I ANDAL Terms of Reference Agreement Decision**
- Appendix II Environmental Baseline Data**
- II.1 Environmental Baseline Data:
Sea Water Quality, *Sediment*, *Surface Water Quality*, *Groundwater Quality*, and *Ambient Air Quality*
(Dry Season 2012)
- II.2 Environmental Baseline Data:
Sea Water Quality, *Sediment*, *River Water Quality*, *Groundwater Quality*, and *Air Ambient Quality*
(Wet Season 2013)
- II.3 Environmental Baseline Data:
Sea Water and Estuary Water Samples (Plankton and Benthos)
(Dry Season 2012)
- II.4 Environmental Baseline Data:
Sea Water and Estuary Water Samples (Plankton and Benthos)
(Wet Season 2013)
- II.5 Environmental Baseline Data:
Soil Quality Samples
- II.6 Meteorological Data
- Meteorological Data of Fakfak (1958-1983 and 2004-2008)
 - Meteorological Data of Manokwari (1998-2011)
 - Meteorological Data AERMET MM5 (2002-2012)
- II.7 Terrestrial Biology Data
- Appendix III Photo Documentation**
- Appendix IV Modeling Results**
- IV. 1 *Drilling Cutting and Mud Dispersion Simulation*
- IV. 2 Environmental Impact Modeling of Tangguh LNG Expansion Project
- Hydrodynamic Modeling
 - Comingle Waste Water Discharge Modeling
 - Hydrotest Water Discharge Modeling

- Combined Waste Water and Hydrotect Water Discharge Modeling
- Dredging Modeling
- Dredge Materials Disposal Modeling
- Modeling of Mud and Drill Cuttings Overboard Discharge

IV.3 Modeling of Air Emission Dispersion from the Tangguh LNG Operational Activities

IV.4 Modeling of Noise Dispersion from the Tangguh LNG Construction Activities

IV.5 Groundwater Modeling

Appendix V Indicators of Hypothetical Significant Impact and Impact Sensitivity Level Evaluation

Appendix VI Non Technical Aspects Discussion
