Project Information

Project Name

Ontario Line Project

A. Site Address – Street information (applies to an address that has civic numbering and street information includes street number, name, type and direction)	Unit Identifier (identifies type of unit, such as suite & number)
n/a	n/a

Non Address Information (includes any additional information to clarify client's physical site location)

The Ontario Line will stretch across the City of Toronto from the Ontario Science Centre in the northeast to Exhibition/Ontario Place in the southwest.

B. Brief Project Description

The Project is a new approximately 15.6-kilometre subway line with 15 new stations, including six interchange stations, connections to three GO train lines, two existing subway lines, the new Eglinton Crosstown LRT, and streetcar lines at 10 stations. The project will feature a combination of tunneled, surface and elevated segments, and will be completely separated from traffic to provide fast and reliable service.
