Q15. Please provide information on the scale of the project (project area, area of plants and buildings, production capacity, amounts of power generation, etc.) Further, pleased explain whether an execution of ESIA is required on account of the large scale of the project in the country where the project is implemented.

Plant Capacity

400,000 T/Y

Plant area

3.53 Ha.

Addendum of existing AMDAL (ESIA) is required since the new plant capacity is more than 30% of the existing plant.
